Change Description

In Am. Sub. H.B. 562 of the 127th GA, \$1,800,000 was appropriated to the Gordon Square Arts District on ALI C371L4. We came to find out that the appropriation was intended for 4 small facilities in the arts district, and in August 2009, we had the Controlling Board split the funds into different ALIs (via CBR # AFC0100117). A portion of the money (\$1,400,000) went to the Cleveland Public Theatre on the next available ALI in our series, C371Z4. Those funds were released, encumbered and spent over the next year or so. In Sub. H.B. 482 of the 129th GA, \$122,550 was appropriated to OHS - Fort Amanda State Memorial on line C371Z4. This mistake was not caught in time, and these funds were recently released by the Controlling Board (via AFC0100248). We now have a reporting problem with two different activities on the same ALI. We respectfully request the \$122,550 for OHS - Fort Amanda State Memorial be allotted to a different ALI.
