Change Description

On July 9, 2012, the Ohio Attorney General's Office received approval for AGO0100220 for Fiscal Year 2013 to contract with various vendors for the provision of legal services. Specifically, the Attorney General's Office received budget approval to contract with Ice Miller to provide legal services to the Department of Transportation for such matters as the Portsmouth Bypass, the Inner belt Bridge, and the U.S. 36/37 Interchange. The Attorney General's Office would like to use a portion of these funds for additional legal matters related to highway and transportation asset development as determined by the Attorney General at rates not in excess of comparable legal services presently provided by special counsel to the State of Ohio. This does not impact the agency, amount or fiscal year. There will simply be more matters covered than originally articulated in the Controlling Board Request.
