Shorttitle

Release of Capital Funds for State Fire Marshal Land Acquisition

Change Description

The Department of Commerce Division of State Fire Marshal respectfully requests Controlling Board approval for a non-substantive change to controlling board request number COM0100133. On December 17, 2012, the Controlling Board considered and approved a request from Commerce to acquire two parcels of land located at 8655 and 8665 Main Street, Reynoldsburg, Ohio, Licking County. The request should have sought permission for the release of capital funds as well. However, the box requesting such approval was left unmarked in error. The Department of Commerce Division of State Fire Marshal respectfully requests a non-substantive change to controlling board request number COM0100133 to include the release of capital funds. The approval of this change will allow the Department to move forward with the purchase of the property. Thank you for your consideration.
