Change sub-contractor

**Change Description**

CSRAB respectfully requests a non substantive change in CSR0100081 to use a different sub-contractor for the audio, video and controll system in the new Education/Conference Center. The scope of the project changed slightly and a different vendor was able to bid lower than the original sub-contractor listed in the Controlling Board request. We are requesting the change from Mills James @ \$17,205 to Live Technologies @ \$13,748.35. The savings will be used to purchase carpeting for the room.
