Shorttitle

Non-Substantive Change - DAS0100444

Change Description

The Department of Administrative Services (DAS), requests a non-substantive change to DAS0100444, approved on June 13, 2011. In accordance with Controlling Board procedures, this change does not alter or impose any changes in the terms of the lease, nor does it impose any additional cost or liability to the State of Ohio. The Agency responsible to pay the rent obligations associated with the lease (Department of Job and Family Services) has informed our office that the "Funding Information" section of DAS0100444 needs to be changed for the period July 1, 2012 through June 30, 2013. To that end, DAS requests a change to the FY13 "Funding Information" contained within DAS0100444, and a spreadsheet showing the updated FY13 Funding Information has been emailed to the Controlling Board for attachment to DAS0100444 (the spreadsheet is named "Non.Sub.DAS0100444.pdf"). Please feel free to contact me with questions or if you need additional information, and thank you for your assistance.
