RE: Non-Substantive Letter to Correct Controlling Board Request DAS0100548 Submitted for the Meeting 7/11/2011
Dear Mr. Cole:
The Ohio Facilities Construction Commission (OFCC) respectfully submits this letter for a non-substantive change in regards to the original Controlling Board Request for the former State Architect's Office (DAS), DAS0100548, which was approved on July 11, 2011. This Non-Substantive Change request is to correct request number DAS0100548 for release of competitive opportunity and waiver of competitive selection for various vendors in the amount of \$750,000.00 for FY 12 and in the amount of \$750,000.00 for FY 13. The change requested is from ALI 100639 to ALI 230639. The merge of the State's Architect's Office with the Ohio School Facilities Commission to form the Ohio Facilities Construction Commission was effective on 9/10/2012 (H.B. No. 487). Therefore, the coding on the Controlling Board was incorrect after that date thus requiring a request for change. Please accept this letter as our request for a Non-Sub Change to correct coding on Controlling Board number DAS0100548.
Sincerely,
