Change Description

On June 1, 2009, the State Controlling Board approved a Rapid Outreach Grant (DEV0100674) to Bridgestone Americas Tire Operations, LLC, in the amount of \$1,952,500 for the costs associated with the acquisition of machinery and equipment, renovations and infrastructure improvements. The project, as approved, indicated that Bridgestone Americas Tire Operations, LLC would make a fixed-asset investment of at least \$65.6 million, with building costs at the site estimated to be \$53.4 million. We respectfully request that the fixed-asset investment be changed to at least \$58 million. The building costs at the site remain at \$53.3 million. All other terms and conditions of the request are the same as presented to Controlling Board for approval. Your cooperation and assistance in this matter is appreciated.
