**Change Description**

On October 25, 2010, the State Controlling Board approved a Rapid Outreach Grant (DEV0101356) to Owens-Brockway Glass Container, Inc., in the amount of \$300,000 for costs associated with the acquisition of new machinery and equipment in support of the company's project in the City of Perrysburg, Wood County. We respectfully request that the retained 802 not-at-risk, existing, full-time jobs be reduced to 751. The number of retained jobs is actually unchanged, but we have discovered that the number in the original Controlling Board request was mistakenly a headcount rather than full-time-equivalents. The number of created jobs, 55, also remains the same. All other terms and conditions of the request are the same as presented to Controlling Board for approval. Your cooperation and assistance in this matter is appreciated.
