**Change Description**

On July 25, 2011, the State Controlling Board approved the Ohio Development Services Agency's (Development) request DEV0101635 to release funds in FY 2012 (\$106,050) and FY 2013 (\$89,950). The funds were for a contract award to Bowman Systems, LLC of Shreveport, Louisiana, to administer the statewide Homeless Management Information System (HMIS) using ServicePoint software. Development is requesting a non-substantive change for line item 195603 (Housing and Urban Development) in the amount of \$28,125 remaining in State FY 2012 to be carried over to State FY 2013 (line item 195603). All other terms and conditions of the original State Controlling Board request are the same as presented to the State Controlling Board for approval. Your cooperation and assistance in this matter is appreciated.
