Change Description

On 07/11/2011, the State Controlling Board approved the Ohio Department of Development's (Development) request (DEV0101660) to Waive Competitive Selection to Taratec Corporation for \$276,001.70 to provide technical evaluations of proposals submitted for funding under the Ohio Third Frontier Program. Due to the influx of proposals expected in FY13 and the decreased activity in FY12, we are requesting the continued services of Taratec Corporation. They will continue to provide technical evaluations of proposals submitted under the Ohio Third Frontier Program. We are not increasing the contract, we are requesting a carryover amount of \$64, 903.00. All other terms and conditions of the original State Controlling Board request are the same as presented to the State Controlling Board for approval. Your cooperation and assistance in this matter is appreciated.
