**Change Description**

On September 26th, 2011, Controlling Board approved the Ohio Department of Development's (Development) request (DEV0101733-12) to release \$2,256,579 to Columbus2020! for JobsOhio network activities in the City of Columbus, Franklin County. Subsequent to Controlling Board approval, Development determined that the cost share, as listed in the request, was incorrect. While the request states that the recipient will provide dollar for dollar cost share, it incorrectly cites a cost share of \$4,000,000. This correct cost share, to be included in a grant agreement with Columbus2020!, is \$2,256,579. All other terms and conditions of the original State Controlling Board request are the same as presented to the State Controlling Board for approval. Your cooperation and assistance in this matter is appreciated.
