Change Description

On September 12, 2011, the State Controlling Board approved Development's request, DEV0101743-12, to release \$250,000 to Momentive Specialty Chemicals, Inc. for the acquisition of new machinery and equipment in support of the company's project in Union Township, Licking County, the City of Columbus, Franklin County, and the City of Strongsville, Cuyahoga County. Development's request referenced the incorrect fund (5AD0) and line item (195633) to be used for this project. The correct fund and line item for this project are fund GRF, line item 195412, Rapid Outreach Grant. Development requests a non-substantive change to correct the fund and line item referenced in this request. All other terms and conditions of the original State Controlling Board request are the same as presented to the State Controlling Board for approval. Your cooperation and assistance in this matter is appreciated.
