**Change Description**

On September 12th, 2011, Controlling Board approved the Ohio Department of Development's (Development) request (DEV0101743-12) to release \$250,000 to Momentive Specialty Chemicals, Inc. for the acquisition of new machinery and equipment in support of the company's projects in Union Township, Licking County, City of Columbus, Franklin County, and City of Strongsville, Cuyahoga County. Subsequent to Controlling Board approval, it was determined that Momentive Specialty Chemicals, Inc. is not the legal name of the entity awarded grant funds. The correct name, to be reflected in the grant agreement with Development, is Momentive Performance Materials Quartz, Inc. All other terms and conditions of the original State Controlling Board request are the same as presented to the State Controlling Board for approval. Your cooperation and assistance in this matter is appreciated.
