Change Description

On September 26th, 2011, the State Controlling Board approved the Ohio Department of Development's (Development) request (DEV0101772-12) to release \$45,000 to InfoMotion Sports Technologies Inc. (Infomotion) for the purchase of machinery and equipment in the City of Dublin, Franklin County. Subsequent to Controlling Board approval, Infomotion notified Development that their budget, as listed in DEV0101772-12, was incorrect. The request listed the total project budget at \$1,000,000 with \$100,000 invested in machinery and equipment and \$900,000 in other investments. The correct project budget will result in Infomotion making an investment of \$2,000,000 including \$550,000 in machinery and equipment and \$1,450,000 in other investments. All other terms and conditions of the original State Controlling Board request are the same as presented to the State Controlling Board for approval. Your cooperation and assistance in this matter is appreciated.
