Change Description

On September 12, 2011, Controlling Board approved Development's request DEV0101783-12 to release \$186,000 to Behr Dayton Thermal Products, LLC. for infrastructure improvements and the acquisition of new machinery and equipment in support of the company's project in the City of Dayton, Montgomery County. Development's request referenced the incorrect fund (5AD0) and line item (195633) to be used for this project. The correct fund and line item are fund GRF, line item 195412, Rapid Outreach Grant. Development requests a non-substantive change to correct the fund and line item referenced in this request. All other terms and conditions of the original State Controlling Board request are the same as presented to the State Controlling Board for approval. Your cooperation and assistance in this matter is appreciated.
