Change Description

On 09/26/2011, the State Controlling Board approved the Ohio Department of Development's (Development) request (DEV0101786) to Waive Competitive Selection to Invantage Group for \$245,000 FY12 to provide technical evaluations of proposals submitted for funding under the Third Frontier Entrepreneurial Assistance Program. We are requesting a non-substantive change for a carryover amount of \$150,058.75. We had previously, on 05/25/2012, requested a non-substantive change for a greater carryover amount, but further discussions with the vendor necessitated another change. Invantage Group is expected to review up to seventy-five (75) Entrepreneurial Assistance Programs proposals in FY 2012 and FY 2013 and provide Development a written summary of each proposal's strengths and weaknesses in the approved evaluation format. Invantage Group will also provide technical assistance, conduct site visits, and provide debriefing services to applicants. Services to be performed under this agreement shall begin on September 26, 2011 and will be completed by June 30, 2013. All other terms and conditions of the original State Controlling Board request are the same as presented to the State Controlling Board for approval. Your cooperation and assistance in this matter is appreciated.
