Non-Substantive Change to Amend Fund 5X10 to 5X50

Change Description

On October 24, Controlling Board approved the Development's request (DEV0101809-12) to increase appropriation authority in fund 5X10, line item 195693, Homelessness Prevention Pilot, in the amount of \$50,074 in order to transfer the remaining cash balance in the fund to close out a pilot program that took place in fiscal year 2009. Subsequent to Controlling Board approval, it was determined that the incorrect fund was used in the appropriation increase request. The correct fund is 5X50. Development requests a non-substantive change to correct the fund indicated in this request. All other terms and conditions of the original State Controlling Board request are the same as presented to the State Controlling Board for approval. Your cooperation and assistance in this matter is appreciated.
