**Change Description**

On December 12, 2011, Controlling Board approved the Ohio Department of Development's (Development) request (DEV0101838) to release \$3,000,000 to Seaman Corporation, located in the City of Wooster, Wayne County, for the purchase of machinery and equipment. The original Controlling Board request included the creation of 12 new full-time jobs with average hourly wages of \$25.32, and retention of 141 existing, not-at-risk full-time jobs, and 19 existing, at-risk, full-time jobs in the City of Wooster, Wayne County. The number of jobs retained were in error. The correct job numbers are the creation of 12 new full-time jobs with average hourly wages of \$25.32, and retention of 124 existing, not-at-risk full-time jobs, and 17 existing, at-risk, full-time jobs in the City of Wooster, Wayne County. The incorrect numbers were an oversight by Development and no jobs will be lost as a result of this change. All other terms and conditions of the original Controlling Board request are the same as presented to the Controlling Board for approval. Your cooperation and assistance in this matter is appreciated.
