**Change Description**

On December 12, 2011, the Controlling Board approved a Rapid Outreach Grant (DEV0101858) to BEF, in the amount of \$250,000 for costs associated with the acquisition of new machinery and equipment in support of the company's expansion project in the City of New Albany, Franklin County. We respectfully request changes to the breakdown of costs within the total fixed asset investment of \$34,858,000, which remains the same. Original Controlling Board Request: Non-sub Request: Building Construction \$19,070,000 Building Construction & fees \$27,472,473.72 Remediation \$5,530,000 Land acquisition \$4,233,000 Land acquisition \$6,500,400 Machinery & equipment \$2,500,000 Machinery & equipment \$835,126.28 Architecture fees, etc. \$2,175,000 Legal/developmental services \$850,000 Moving \$500,000 TOTAL: \$34,858,000 TOTAL: \$34,858,000 The professional fee costs are being rolled into the construction costs because the contractor took on these costs and then billed BEF. Land acquisition costs also increased and these changes resulted in a lesser investment in machinery and equipment. All other terms and conditions of the request are the same as presented to Controlling Board for approval. Your cooperation and assistance in this matter is appreciated.
