Change Description

On December 12th, 2011, Controlling Board approved the Ohio Department of Development's (Development) request (DEV0101863-12) to release \$400,000 to Explorys, Inc. for the purchase of machinery and equipment in support of the company's expansion project in the City of Cleveland, Cuyahoga County. Subsequent to Controlling Board approval, Development determined that the total investment, as listed in DEV0101683-12, was incorrect. The request listed the total investment as \$800,000. The correct investment as a result of the project is \$8,600,000. All other terms and conditions of the original State Controlling Board request are the same as presented to the State Controlling Board for approval. Your cooperation and assistance in this matter is appreciated.
