**Change Description**

On January 9, 2012, Controlling Board approved Development's request (DEV0101876) to release \$800,000 to Garick, LLC located in the City of Cleveland, Cuyahoga County, for the acquisition of new machinery and equipment to be located in a headquarters and manufacturing facility. Development is requesting a change to the project site from the approved City of Cleveland, Cuyahoga County to South Charleston, Clark County. Both sites had been under discussion, but the Controlling Board request erroneously listed only the City of Cleveland. This change has no effect on our secure collateral position. All other terms and conditions of the original Controlling Board approval will remain the same. Your cooperation and assistance in this matter is appreciated.
