Change Description

On 02/13/2012, the State Controlling Board approved the Ohio Department of Development's (Development) request (DEV0101909) to Waive Competitive Selection to YourEncore for \$195,460 FY12 to provide technical evaluations of proposals submitted for funding under the Third Frontier Technology Validation Start-Up Program. Due to the influx of proposals expected in FY13 and the decreased activity in FY12, we are requesting the continued services of YourEncore. We are not increasing the contract, we are requesting a carryover amount of \$94,699.33. Your Encore is expected to review up to eighty (43) Phase 1 and forty (22) Phase 2 Technology Validation and Start-up Fund Program proposals in FY 2012 and up to one hundred sixty (197) Phase 1 and eighty (98) Phase 2 proposals in FY 2013 and provide Development a written summary of each proposal's strengths and weaknesses in the approved evaluation format. Your Encore will also provide technical assistance, conduct site visits, and provide debriefing services to applicants. Services to be performed under this agreement shall begin on February 15, 2012 and will be completed by June 30, 2013.
