Change Description

On April 23, 2012, the State Controlling Board approved the Ohio Department of Development's (Development) request (DEV0101933-12) to release funds to the Village of Johnstown for \$150,000 to complete public roadwork improvements in support of Thirty-One Gifts LLC's 2010 expansion project in the Village of Johnstown, Licking County. Development's controlling board request mistakenly listed the roadwork improvement cost estimate as \$350,000.00. The correct estimate is \$750,974.49. All other terms and conditions of the original State Controlling Board request are the same as presented to the State Controlling Board for approval. Your cooperation and assistance in this matter is appreciated.
