**Change Description**

On May 21, 2012, the State Controlling Board approved the Ohio Development Services Agency's (Development) request DEV0102006-12 to release \$120,000 in grant funding to the Jefferson County CIC for the costs associated with public roadwork improvements. As the project moved forward, it was determined that the actual beneficiary should have been the Jefferson County Commissioners. All other terms and conditions of the original State Controlling Board request are the same as presented to the State Controlling Board for approval. Your cooperation and assistance in this matter is appreciated.
