**Change Description**

On March 25, 2013, Controlling Board approved Development's request (DEV0102235) to release \$800,000 from fund 7009, ALI 195664 (Innovation Ohio Loan Fund), in FY13, for an IOF Loan to Mediu, LLC for the acquisition of capitalizable software at the project site in Worthington, Franklin County. Development requests a non-substantive change to the Project Site location. The Borrower has leased new office space at 106 Stover Drive, Delaware, Delaware County, Ohio 43015. The Controlling Board had previously approved the site as 250 Old Wilson Bridge Road, Suite 145, Worthington, Franklin County, Ohio. This change will have no effect on our collateral position and all other terms and conditions of the original Controlling Board approval will remain the same. Thank you for your consideration of our request.
