**Change Description**

On March 25, 2013, the Controlling Board approved a Roadwork Development Grant (DEV0102249), to Columbiana County Port Authority, in the amount of \$150,000 for costs associated with the completion of public roadwork improvements in support of Hilcorp Energy Company's (Hilcorp) project in the Village of Wellsville, Columbiana County. The project, as approved, indicated that Columbiana County Port Authority would reconstruct old State Route 7 to provide ingress/egress to Hilcorp Distribution Facility. Total eligible project costs were estimated to be \$1.2 million. The Development Services Agency respectfully requests that the total eligible road costs be reduced from \$1.2 million to \$611,486.50. The total eligible road costs came in lower than anticipated in the end. All other terms and conditions of the request are the same as presented to Controlling Board for approval. Your cooperation and assistance in this matter is appreciated.
