Change Description

On August 5, 2013, the State Controlling Board approved the Ohio Development Service Agency's (ODSA) request DEV0102300 to release \$98,366.00 from fund 7011, line item 195687, Third Frontier R&D Tax Bond, in fiscal year 2014, to Analytic Diabetic Systems, LLC, located in the City of Dayton, Montgomery County, for its project that will develop software to help healthcare providers monitor and manage patient blood sugar levels. Development is requesting a non-substantive change to reflect the correct name of the company as Analytic Diabetic Systems, Inc. In addition, Development also requests to modify the fiscal year from FY14 to FY15 to enable the company to draw down the remaining balance of their award. These changes are the result of the company restructuring its organization type and filings with the State. All other terms and conditions of the original State Controlling Board request are the same as presented to the State Controlling Board for approval. Your cooperation and assistance in this matter is appreciated.
