Change Description

On August 5, 2013, Controlling Board approved Development's request (DEV0102319) to release \$2,355,319.00 from fund 7014, ALI 195692 (Third Frontier Research & Development Taxable Project Fund), in FY14, to the University of Toledo, Toledo, Lucas County, to advance the Innovation Platform Program (IPP). In the section of the request that addresses cost share, Development committed a typographical error by listing OSU as the cost share participant. The actual cost share participant is the University of Toledo. Thank you for your consideration of our request.
