Change Description

On August 3, 2015, the Controlling Board approved the Ohio Development Services Agency's request (DEV0102778) to release \$100,000.00 from fund 7014, line item 195692, Third Frontier R&D Tax Bond, in fiscal year 2016, to Nikola Labs Holdings, LLC, located in the City of Columbus, Franklin County, for its Technology Validation and Start-up Fund project. On August 16th, the Controlling Board President approved a non-substantive change to correct the legal business name of the company to Nikola Labs, LLC. Development is requesting another non-substantive change to adjust the name of the company to Nikola Labs, Inc. Subsequent to the approval of the previous non-substantive change, the company's business filing was updated a final time to reflect this edited name. All other terms and conditions of the original State Controlling Board request are the same as presented to the State Controlling Board for approval. Your cooperation and assistance in this matter is appreciated.
