Change Description

On February 27, 2012, the Department of Mental Health received Controlling Board approval for DMH0100241 for a total of \$372,590.00 for fiscal years 2012 (\$112,480.00) and 2013 (\$260,110.00) to contract with LocumTenens.com for the provision of psychiatrists to provide locum tenens services at Appalachian Behavioral Healthcare, located in Athens, Ohio. There was also a prior Controlling Board approval granted on July 11, 2011 for DMH0100214 for a total of \$210,900 for fiscal years 2012 (\$105,450.00) and FY 2013 (\$105,450.00). The two Controlling Board approvals resulted in a total FY 2012 approval of \$217,930.00 and a total FY 2013 approval of \$365,560.00 for Locumtenens.com to perform Psychiatrist locum tenens services at Appalachian Behavioral Healthcare. Since the time of the approvals, Appalachian Behavioral Healthcare has determined they are no longer in need of \$315,560.00 of the FY 2013 amount previously approved, which is comprised of \$260,110.00 from Controlling Board approval DMH0100241 and \$55,450.00 from Controlling Board approval DMH0100214. However, the Northwest Ohio Psychiatric Hospital located in Toledo, Ohio, is in need of the same services by Locumtenens.com (the same vendor) in the amount of \$206,480.00, and is seeking approval to utilize that portion of the \$260,110.00 from Controlling Board approval DMH0100241 which Appalachian Behavioral Healthcare no longer needs. The only portion of the contract with Locumtenens.com that is changing is the location at which the Psychiatrists will be performing the locum tenens services. Therefore, the Department of Mental Health respectfully requests approval for the vendor to perform the services at Northwest Ohio Psychiatric Hospital in Toledo, Ohio, utilizing Controlling Board approval DMH0100241.
