Non-Substantive Change: DMH0100294 LocumTenens.com

Change Description

On February 25, 2013, the Department of Mental Health received Controlling Board approval for DMH0100294 for a total of \$266,000.00 for fiscal year 2013 to contract with LocumTenens.com for the provision of psychiatrists to provide locum tenens services at Northwest Ohio Psychiatric Hospital, located in Toledo, Ohio. Since the time of the approvals, Northwest Ohio Psychiatric Hospital has determined they are no longer in need of \$45,000.00 of the FY 2013 amount previously approved. However, Summit Behavioral Healthcare located in Cincinnati, Ohio, is in need of the same services by Locumtenens.com (the same vendor) in the amount of \$15,000.00, and is seeking approval to utilize that portion of the \$266,000.00 from Controlling Board approval DMH0100294 which Northwest Ohio Psychiatric Hospital no longer needs. The only portion of the contract with Locumtenens.com that is changing is the location at which the Psychiatrists will be performing the locum tenens services. Therefore, the Department of Mental Health respectfully requests approval for the vendor to perform the services at Summit Behavioral Healthcare, Cincinnati, Ohio, utilizing Controlling Board approval DMH0100294.
