Fund 3H80 ALI change

**Change Description**

OhioMHAS submitted a request for increased spending authority for this fund, which was approved in November. We learned after-the-fact, that the line item that was assigned (333606) is incorrect and needs to reference the correct ALI (335606). We need to change the amount of the increase to the ALI 335606 by \$2,035,014.00 instead of 333606 in SFY 2014. The budget for the increase should be apportioned as follows: 500 - \$87,750 510 - \$0520 - \$17,511 530 - \$0550 - \$1,861,800 570 - \$0590 - \$58,000 Other (indirect costs) - \$9,953 Total- \$2,035,014
