Educational Service Center of Central Ohio

Change Description

On November 11, 2015 Controlling Board request number DMR0100327 was approved in the amount of \$25,000 for fiscal year 2016. This request is with the Educational Service Center of Central Ohio to develop, design and support the Mental Illness/Developmental Disability Coordinating Center of Excellence website for the Department of Developmental Disabilities (DODD). The scope of this project was planned to be completed by the end of fiscal year 2016, however due to unforeseen circumstances the revised completion date is now September 30, 2016. Through this Non-Substantive Change Request, DODD is requesting that \$20,834 of the originally approved \$25,000 on Controlling Board Request number DMR0100327 be diverted to Fiscal Year 2017 so completion of this project can be obtained by September 30, 2016.
