Revise FY for wavier of vendor Beck Consulting Inc on DNR0100659

**Change Description**

The Department of Natural Resources respectfully requests that the fiscal year 2014 be added to DNR0100659 in order to encumber funds for Beck Consulting this fiscal year. This request was originally approved in FY 2013 and this vendor was added to provide similar services (appraisals) through a non-substantive change. An encumbrance cannot be completed in FY 2014 without the addition of FY 2014 to the request. The Mercer County Court of Common Pleas Doner Trial decision was filed on January 11, 2013 in favor of the defendants. Updated appraisals on all properties located in the area subject to this litigation will be performed by Beck Consulting Inc.. Beck Consulting has hired the Special Counsel appointed by Ohio Attorney General's Office on ODNR's behalf. The updated appraisal information will be necessary during the Doner Case and all subsequent cases. Your approval will be greatly appreciated.
