Update vendor & project list on CB DNR0100777

Change Description

ODNR submitted DNR0100777 to release funds for Clean Ohio Trail Projects with a list of the projects, amounts and grant recipients. The project in Portage County for the Hiram Extension listed the applicant as Hiram College and it has been determined that the applicant is now the Village of Hiram. The project and project amount will remain the same. ODNR respectfully requests that this change be noted in the request. A new project listing has been attached to this non-sub change request. All other information in the request is correct.
