Update fiscal year on DNR0100980

Change Description

The Department of Natural Resources respectfully requests that fiscal year 2016 be added to accurately reflect the fiscal year of the request on DNR0100980. This request was prepared in FY 2015 but through various revisions and delays in submission, the request was heard and approved on July 6, 2015 and the fiscal year was not updated to reflect the new fiscal year. These capital funds were to be made available in OAKS in FY 2016. It was recently discovered that the fiscal year did not match and DNR was asked to submit the non-substantive change request by OBM - State Account to correct this error. Your approval of this request will be greatly appreciated.
