Change Description

Dear Mr. Cole:On September 12, 2011, the Controlling Board approved Controlling Board No. DOT0100220-12 which waived competitive selection in the amount of \$154,500 for FY 12 to contract with the Federal Highway Administration, National Highway Institute, Arlington, VA to purchase training for our professional engineers and the professional engineers from local Ohio roadway agencies. The Department has been notified of a change in the vendor number for the FHWA since the Controlling Board approved the request. Originally, its vendor number was listed as OAKS No. 0000012782 but the new number is now OAKS No. 0000089472.We request your approval of this change in vendor number so that the Controlling Board request reflects this information. The Central Accounting System reflects this change and the original vendor number has been made obsolete.If you have any questions please contact me at 614-387-5192.Respectfully,Michael EvansLegislative LiaisonOhio Department of Transportation
