Change In Vendor Number of OpenText Inc.

Change Description

Dear Mr. Cole: On December 12, 2011, the Controlling Board approved Controlling Board No. DOT0100231 which waived competitive selection in the amount of \$236,207.34 for FY 12 to contract with the OpenText Inc., Lincolnshire, Illinois, to purchase computer software license renewals, maintenance and support for existing software used to support data warehouse queries and reporting. The Department has been notified of a change in the vendor number for OpenText Inc. since the Controlling Board approved the request. Originally, its vendor number was listed as OAKS No. 0000085690 but the new number is now OAKS No. 0000186202. We request your approval of this change in vendor number so that the Controlling Board request reflects this information. The Central Accounting System reflects this change and the original vendor number has been made obsolete. If you have any questions please contact me at 614-387-5192. Respectfully, Michael Evans Legislative Liaison Ohio Department of Transportation
