## **Change Description**

President Cole, On April 23, 2012, the Controlling Board approved Controlling Board No. DOT0100250-2012 which approved a request by ODOT for a waiver of competitive selection for The Urban League of Greater Cincinnati to release \$351,594.84 from line item 772422, Highway Construction- Federal, to facilitate an On-the-Job training program aimed at training disadvantaged individuals for construction related jobs. The program was approved by the Controlling Board for the period of 4/23/2012 to 12/31/2012. Since the request was approved, ODOT has spent \$184,580.00 of the approved \$351,594.84. Due to OBM regulations ODOT could not keep the Fiscal Year 12 purchase order open into Fiscal Year 2013 past the date of November 8, 2012. Therefore the purchase order was closed for Fiscal Year 2012 to be setup again for Fiscal Year 2013 using the remaining approved balance of funding. Due to the program running into Fiscal Year 2013, ODOT is requesting that the remaining funds of \$167,014.84 be available for use in Fiscal Year 2013. The amount of \$146,693.31 of the remaining \$167,014.84 in approved funding are ARRA (American Recovery and Reinvestment Act)/ OJT (On-the-Job Training) stimulus funds that are required to be spent by September 30, 2015. The remaining balance of the \$167,014.84 in the amount of \$20,321.53 will be expended from the Federal OJT funds that ODOT receives under program code L48E. Additionally, ODOT requests the end date of the original request be amended to extend the program until 3/31/2013. This will allow the vendor to train additional disadvantaged individuals for construction related jobs. No additional funds are being requested for use. We respectfully ask for your approval of this fiscal year change and the amended program end date of 3/31/2013. Respectfully, Michael J.
