Non-Substantive Change for Controlling Board DPS0100348

**Change Description**

The Department of Public Safety, respectfully request a non-substantive change for controlling board request DPS0100348. This request was approved by the Controlling Board on April 20, 2015. This controlling board request was for a release of capital funds in the amount of \$112,939.00 from Fund 7025, ALI C76001 (Public Safety Office Building), in FY15. This was submitted in error as the requested appropriation had previously been released. Therefore, the agency respectfully requests the Controlling Board to disregard the processing of Controlling Board Number DPS0100348, due to the submission error. Please contact me at 614-644-5837 if any additional information is needed. Kathy Ludowese Chief Fiscal Officer, Department of Public Safety
