Non-Sub Change Request-DRC0100451

Change Description

Mr. Cole:On June 13, 2011, the Department received Controlling Board approval for DRC0100451 in the not-to-exceed amount of \$200,000.00 for FY12 to contract with Locum Medical (Vendor #0000041356) to provide short-term advanced level provider services to inmates at various institutions. The Department now has a need for short-term urgent care physician services, which can also be provided by Locum Medical. This non-substantive change request is needed to enable Locum Medical to provide urgent care physician services in addition to advanced level provider services. No additional funds are requested. Your consideration of this non-substantive change is appreciated. If you have any questions or require additional information please contact me at (614) 995-0636. Sincerely, Nena M. Bradley
