Non Substantive Change Request DRC0100682

## **Change Description**

President Cole, On March 25, 2013, the Department received Controlling Board approval for DRC0100682 in the not-to-exceed amount of \$418,200.00 for FY13 to purchase dried distillers grain (DDG) from Anderson's Marathon Ethanol and POET Biorefining. The requested dollar amounts for each vendor was based on the anticipated needs of the various farms. Based on usage to date, the Department needs to increase the spending authority with Anderson's Marathon Ethanol. This non-substantive change is therefore requested to reallocate funds among the vendors. The Department requests a decrease in the waiver amount for POET Biorefining (Vendor #0000161248) from \$328,800.00 to \$128,000.00 for FY13, and reallocate the \$200,000.00 to Anderson's Marathon Ethanol (Vendor #0000008213) for FY13. This would increase the total waiver for Anderson's from \$89,400.00 to \$289,400.00 for FY13. The overall not-to-exceed amount originally approved by the Controlling Board does not change. Your consideration of this non-substantive change request is appreciated. If you have any questions or require additional information please contact me at (614) 995-0636. Sincerely, Nena Bradley DRC Controlling Board Administrator
