Non Substantive Change DRC0100924

**Change Description**

President Cole, On June 2, 2014, the Controlling Board approved the Department's request for \$84,075.00 in FY14 to obtain an interior fence from Cuyahoga Fence. The purchase order was not generated prior to the end of FY14, therefore this non substantive change is needed to enable the funds to be encumbered in FY15. Also, the OAKS system shows the approval as DNR0100924, but should reflect DRC0100924. If you have any questions or need additional information please let me know. Your consideration of this non substantive change request is appreciated. Sincerely, Nena Bradley  
DRC Controlling Board Administrator (614) 995-0636
