Change Description

President Rose, On July 28, 2014, the Controlling Board approved the Department's request to release capital funds in the amount of \$4,268,675.88 for the Population Management Fence project at the Madison Correctional Institution. The release included \$41,500.00 for SPGB Architects, and \$130,909.21 for the Ohio Facilities Construction Commission (OFCC). The release for OFCC included an "OFCC Consultant List 10% Markup" amount of \$4,120.00. In the "Request for Purchase Order" that is attached to the Controlling Board request, the OFCC asked that \$41,500.00 be encumbered to the OFCC to compensate SPGB Architects. This was not reflected clearly in the Controlling Board request. This non-substantive change request is needed to release an additional \$41,500.00 for the OFCC. This will enable the Department to reimburse the OFCC for payment made to SPGB Architects. The OFCC vendor ID number in OAKS is SFC01, and the total amount released to the OFCC should be \$172,409.21. The overall amount of the request does not change. The \$41,500.00 released for SPGB Architects is being paid through OFCC, not directly from the Department. Your consideration of this non-substantive change request is appreciated.
