Non Substantive Change Request DRC0100958

Change Description

President Cole, On August 25, 2014, the Controlling Board approved DRC0100958 in the amount of \$118,357.00. The request was for an upgrade of the Multi-Agency Radio Communication System (MARCS) system at the Toledo Correctional Institution. The request indicated that "GPD Telecom, Inc. was the sole source provider in Ohio of the distributed antenna systems for the Motorola radio system currently in place." According to the documentation provided by the vendor, the request should have indicated that "GPD Telecom, Inc. is the only approved Distributed Antenna System facilitator for Motorola in the State of Ohio." The other vendors with Motorola "Preferred Facilitator" status are located in Georgia and New York. This non-substantive change is requested to provide clarification of the vendor's status with Motorola. If you have any questions or require additional information, please contact me at (614) 995-0636. Thank you in advance for your consideration. Nena M. Bradley DRC Controlling Board Administrator
