**Shorttitle**

DYS - Release Correction for C47002 - REVISION

**Change Description**

DYS is requesting another non-substantive change because our previous change request had the incorrect amount for the release. According to OBM, "The amount on the non- sub change is still too much. If you look at the total appropriation budget \$4,438,202.20 and minus the amount already allotted \$2,734,828.20 the amount remaining to be allotted is \$1,703,374.00." Therefore, we are requesting that the release amount be changed to \$1,703,374.00. I was assured by OBM that this amount is accurate.
