Shorttitle

Non-sub change for OSLN contract

Change Description

The Ohio Department of Education (ODE) respectfully requests approval of a non-substantive change request in order to adjust the amount of funds provided for both fiscal years (2012-2013) under a contract approved by the Controlling Board on August 8, 2011 (EDU0100194). On August 8, 2011, ODE received approval to waive competitive selection to contract with Ohio STEM Learning Network, Battelle Memorial Institute for \$2,093,000 for fiscal year 2012 and \$1,406,045 for fiscal year 2013. The contract provides services supporting the expansion of science, technology, engineering and mathematics education, which is a priority category of Ohio's Race to the Top grant. ODE requests the amount of \$1,679,010.27 in fiscal year 2012 be moved to fiscal year 2013. This would change the amount of fiscal year 2013 from \$1,406,045 to \$3,085,055.27. The two-year contract amount (\$3,499,045) and deliverables would remain the same, however, the bulk of the work for the contract would take place in fiscal year 2013. Your assistance in processing this request is appreciated. Please do not hesitate to contact me if you have any questions. Jeremy Federal Liaison, ODE614-466-8693
