NON-SUB CHANGE FOR NBEC Contract

Change Description

On November 14, 2011, the Ohio Department of Education (ODE) received approval from the Controlling Board to waive competitive selection to contract with the Northern Buckeye Education Council (NBEC) for \$286,000 for fiscal year 2012 (ending June 30, 2012). The services are under the Longitudinal Data Systems grant to provide application and web services as it relates to technical processes such as electronic transfer, student records exchange, etc. ODE is unable to host this data and applications as they contain individually identifiable student data. ODE would respectfully request to extend the contract for the services to be provided by June 30, 2013. Due to project delays, the services will not be completed by June 30, 2012. ODE has obtained an addendum to the contract (signed by the vendor only) for these services to be completed during the second year of the biennium. The total dollar amount and deliverables will remain the same. Your assistance in processing this request is appreciated. Please don't hesitate to contact me if you have any questions. Sincerely, Jeremy Marks
