EDU0100240 Kuhn Contract

Change Description

Dear President Cole, On Monday, August 20, the Controlling Board approved EDU0100240, which is a contract for Forest Kuhn. Unfortunately, the wrong vendor ID was put on the request (0000116591). The actual vendor ID is 0000127183. I would appreciate if you could please make the non-substantive correction. Please let me know if you have any questions. Thank you.
