ESC Waiver of Competitive Selection Transfer - Central Ohio ESC

Change Description

The Ohio Department of Education respectfully requests a revision in the amount of the Central Ohio Education Service Center waiver of competitive selection. As approved by the controlling board, the amount for Central Ohio ESC was \$4,000,000 in FY15. A previous non substantive change request lowered this amount to \$3,000,000. However, our work has accelerated with the Educational Service Center of Central Ohio. We request an increase, from \$3,000,000 to \$3,500,000 and a reduction in the Montgomery County ESC amount fro \$1,000,000 to \$500,000. This change would not exceed the total \$10,000,000 waiver of competitive selection previously approved by the controlling board. Allowing this transfer will allow the various programs that provide technical assistance, training, professional development, and support to local school districts on behalf of the Ohio Department of Education.
